ORDER:

The Government decline to approve the following proposals of the Central Board of Indian Medicine:-

(1) that the Board may be permitted to conduct examinations for private practitioners to enable them to qualify themselves for registration and to stop recommending applications to Government for special recognition under rule 1(iv) of the rules for registration; and

(2) that the proviso to rule 1 of the rules for registration may be amended so as to register for five years from February 1947 those practitioners who have not got themselves registered yet.
